BLAZE NEW TRAILS...IN COLOR.

In today's competitive work environment, how can your company get noticed? Change direction, and blaze new trails... in color, with Copystar, a leading provider of Color Multifunctional Systems. At Copystar, we empower our customers to maximize document workflow efficiency, productivity and security with advanced hardware and software solutions that cost-effectively streamline document processing. When it comes to business communication—in paper or digital form—why not get noticed? Connect in color, with Copystar.

The CS 6052ci Series of Color Multifunctional Systems leverage the latest advances in color technology to form an impressive suite of powerful communication hubs. From intuitive walk-up features to versatile desktop software and Web-based device management tools, your workforce can access, store and route information easier than ever before, whether in the office or on the go.

Offering superior versatility, the fully-customizable CS 6052ci Series is designed to meet wide-ranging application needs, with expandable paper supply, professional in-line finishing, advanced EFI Fiery® color management and plug-and-play business solutions.

Indeed, with superior adaptability, the innovative CS 6052ci Series becomes part of an optimized Total Document Solution (TDS) approach, one that fits the way you do business.

SMART DESIGN. MAXIMUM PRODUCTIVITY. TRUE ECONOMY.

Engineered for ease of operation, the CS 6052ci Series offers workgroups—large and small alike—superior design elements that efficiently address varied media handling, volume and document processing requirements.

INTUITIVE, TABLET-LIKE DISPLAY

Customizable, full color 9" touch screen display allows for instant access to frequently-used functions by organizing icons in a layout that works best for you. A standard soft key numeric keypad is included, and an optional external hard key numeric keypad is available.

WIDE MEDIA SUPPORT, SCALABLE PAPER SUPPLY

Best-in-class media handing and capacity with a 1,150-sheet standard paper supply, upgradeable to 7,150 sheets. Supports media sizes up to 12" x 48" and paper weights up to 166 lb. Index (300 gsm), for unrivaled application flexibility.

ADVANCED IN-LINE FINISHING

Streamline cumbersome manual tasks, and reduce outsourcing costs, with professional finishing options:

• 4,000 Sheet External Finisher
• 1,000 Sheet External Finisher
• 500 Sheet Internal Finisher

BRING COLOR PRODUCTION IN-HOUSE

For complex color workflows, the optional EFI Fiery® Printing System is the preferred resource for image and graphics-rich environments. When combined with the CS 6052ci Series, you gain powerful color matching and file processing utilities that produce amazing results from job start to finish.

CONNECT WITH YOUR INFORMATION.

The CS 6052ci Series enables you to better manage virtually every aspect of document creation, output, distribution and storage. With unsurpassed performance, your workforce can now collaborate and communicate in a secure, efficient digital workflow. This drives greater productivity, increases efficiency, enhances security and reduces costs, as you connect people with your most valuable asset–information.

Produce vibrant color and crisp Black and White documents at resolutions up to 1200 dpi.

Support your mobile workforce by putting print, scan and send features at their fingertips with applications, such as Kyocera Mobile Print, Apple AirPrint®, and Google Cloud Print™. Standard Near Field Communication (NFC) for Android and Wi-Fi Direct provides added smart device convenience.

Scan invoices, statements and forms at up to 180 images per minute, via the optional Dual Scan Document Processor (DP-7110).

Distribute scanned files to multiple destinations...email, folder, FTP, etc.

Streamline scanning with Blank Page Skip detects and removes blank pages, saving time and device memory.

Turn scanned documents into searchable PDFs with optional OCR, which dramatically reduces the time to locate and replicate information.

Save time and simplify IT management with Command Center RX, a standard web-based interface that enables remote printing, file sharing, device monitoring, settings updates and address book entry, right from your desktop.

Reduce costs with Proof Copy Mode, which lets you print (and approve) a sample copy before duplicating large documents.

Print-from and scan-to a USB thumb drive–directly from the control panel; no PC required.

Print and share frequently used files with Document Box, a secure area on the hard drive where documents are conveniently stored and easily retrieved.

HARNESS THE POWER.

Copystar's robust portfolio of customizable Business Applications enhance the CS 6052ci Series' core capabilities, further boosting productivity and ensuring fast return on investment.

From document management to cost control and security solutions, these business applications keep your information flowing. Built on Kyocera's cutting-edge HyPAS technology, this flexible software development platform seamlessly and securely integrates with Copystar MFPs. The advantage: Simplified workflows that enable users to leverage information how, when and where they need it.

SECURE YOUR DOCUMENTS

Concerned about unauthorized access to confidential information? The CS 6052ci Series offers standard security features built into the device software, as well as optional enhancements to help keep sensitive documents from falling into the wrong hands.

- PDF Encryption restricts access for displaying and printing PDFs by assigning a secure password.
- Private Print function with password protection and User Authentication.
- Optional Data Security Kit for overwrite and encryption, to help safeguard mission-critical workflows.

PROTECT THE ENVIRONMENT

The CS 6052ci Series dramatically reduces waste, and unnecessary energy consumption, in order to minimize environmental footprint.

- Unique long-life technology and consumables.
- Manage your energy costs. Programmable Energy Saver function, and Low Typical Electricity Consumption (TEC) values support your goals for energy conservation.
- Energy Star® compliant, with Low Power Mode and Sleep Mode settings.
- Environmentally considerate Waste Toner Bottle design.
